Starbar® FlyRelief™ Disposable Fly Trap includes a scientifically developed attractant. Once flies are in the trap, they drown and add to the trap's attractant. Use Starbar® FlyRelief™ Disposable Fly Trap in the yard, kennel, stable, barn, around horses, pets, cattle, sheep, poultry, hogs, garbage containers and other outdoor areas where nuisance and filth flies are a problem. Catches filth breeding flies such as house flies, blow flies, flesh flies, blue and green bottle flies, dump flies, and dung flies.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

1. Remove film on top of trap by cutting dotted line inside of black rim seal. (Diagram A)\*\*
2. Pull up trap top by tab until it snaps into position. (Diagram B)
3. Fill trap to "fill line" with clean water to activate the attractant. (Diagram C)
4. Agitate lightly to disperse attractant. (Diagram D)
5. Hang trap outside in a sunlit area of high fly concentration when flies are active and where odors will not be a problem. (Diagram E) For best results, place trap within four feet of the ground. In hot weather (above 90°F/32°C), place trap in shade for better results, in cooler weather, place trap in sun.

### KEEP OUT OF REACH OF CHILDREN CAUTION

See Additional Precautionary Statements.

EPA Reg.No. 89459-11

EPA Est. No. 270-IA-001

6. For use in yards or around animal housing, place traps 30 ft (10 m) or more away from home or animals to draw flies away from those locations.
7. For high fly populations, use several traps in different locations.
8. Replace trap when full of flies or when contents dry out.
9. Wash hands with soap and water after handling.

NOTE: Not for indoor use nor for use against biting flies. Contents may give off bad odor; keep contents from coming into contact with hands or clothing.

\*\*Cut along the dotted line

### STORAGE AND DISPOSAL

**STORAGE:** Store in a cool, dry, well-ventilated location out of reach of pets and livestock.

**CONTAINER HANDLING:** Push trap top down to close. Deposit in trash.
