**TOTAL:** ..... 100.0%

\*Generated from trimethylamine HCL 1.00%

Starbar® Trap 'N Toss™ Disposable Fly Trap (Trap 'N Toss™) includes a scientifically developed attractant. Once flies are in the trap, they drown and add to the attractant. Use Trap 'N Toss™ trap in the yard, kennel, stable, barn, around horses, pets, cattle, sheep, poultry, hogs, garbage containers and other outdoor areas where nuisance and filth flies are a problem.

Catches filth breeding flies such as house flies, blow flies, flesh flies, blue and green bottle flies, dump flies, and dung flies.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

1. Bait and use trap outdoors.
2. Remove the plug from inside of trap cone. (Diagram A)
3. Leave the attractant pod inside and turn the trap upside down.
4. Add 16 fl oz of clean water to dissolve and activate attractant. (Diagram B)
5. Agitate lightly to disperse attractant. (Diagram C)
6. Slowly turn trap right side up, and hang or set on a flat surface outside in a sunlit area of high fly concentration when flies are active and where odors will not be a problem. (Diagram D) For best results, place trap within four feet of the ground. In hot weather (above 90°F/32°C), place trap in shade for better results, in cooler weather, place trap in full sun.
7. If placed on ground, be sure that at least ¼ inch of space is available between the trap body and ground so flies can enter.

### KEEP OUT OF REACH OF CHILDREN CAUTION

See Additional Precautionary Statements.

EPA Reg.No. 89459-11  
EPA Est. No. 270-IA-001

8. Replace trap when full of flies or when trap contents dry out.
9. Wash hands with soap and water after handling.

NOTE: Not for indoor use, nor for use against biting flies. Contents may give off bad odor; keep contents from coming in contact with hands or clothing.

### STORAGE AND DISPOSAL

**STORAGE:** Store in a cool, dry, well-ventilated location out of reach of pets and livestock.

**CONTAINER HANDLING:** Deposit in trash.

For information or in case of emergency, call 1-800-347-8272.
