

SAME GREAT FEATURES, NEW CONVENIENT SIZE!

Pre-Strike® Mosquito Torpedo® is now available in a convenient 3-pack folding carton that will replace the current 5-pack pegged card. The torpedoes will be contained in a plastic pouch within the folding carton.

This eco-friendly larvicide product contains an insect growth regulator (IGR) that prevents mosquitoes from developing into breeding, biting adults. Simply drop Pre-Strike® Mosquito Torpedo® into areas with standing water in order to attack mosquitoes right at their breeding grounds. They feature a slow-release formula that provides protection for up to two months.

FEATURES

- Prevents larvae from developing into adults
- Easy to use
- Each torpedo supplies continuous release and provides up to 60 days of protection
- Leaves water crystal clear with no unsightly debris
- Environmentally-friendly active ingredient, (S)-methoprene

VITAL FACTS

EPA Reg. No.: 2724-499

Active Ingredient: (S)-Methoprene: 8.62%
