

PROVEN TO POWER YOUR POULTRY.

Fortify your flock with a vitamin and mineral supplement at the top of the pecking order. Introducing Starbar Red-Vival™ supplement, a unique blend of amino acids developed to promote the health, production and livelihood of your chickens. This powerful nutritional supplement is intended for use in every class of poultry.

BENEFITS

- ✂ Supports eggshell quality
- ✂ For use in stressed flocks

FEATURES

- ✂ Unique blend of amino acids, minerals, and vitamins
- ✂ Digestible for all types of poultry
- ✂ For use year round

FEEDING DIRECTIONS:

- ✂ Feed to poultry daily by adding 4 ml (4 cc) of Starbar Red-Vival™ supplement per gallon of water. Stir or shake vigorously until uniform.
