

The Power of Attraction

Flies will be drawn in with this new dry formulation...

- Catches filth breeding flies such as house flies, blow flies, flesh flies, blue and green bottle flies, dump flies and dung flies
- Insecticide free
- Pouches dissolve and activate in water
- Easy-to-use

Starbar® Fly Trap Attractant

Specially formulated water soluble packs (WSP) for use with Starbar® fly traps including Fly Terminator®, Milk Jugg™ Trap and Captivator® Fly Trap as well as other half-gallon and gallon-sized reusable fly traps.

Usage Rates

For Starbar® traps and other gallon-sized reusable fly traps, place two water soluble attractant pouches into trap and add one-half gallon of clean water to activate attractant. For Starbar® traps and other half-gallon-sized reusable fly traps, place one water soluble attractant pouch into trap and add one quart of clean water to activate attractant.

Note:

Not for indoor use, nor for use against biting flies. Contents may give off bad odor; do not allow contents to contact hands or clothing.

Odor & Pheromone Traps

MID-LEVEL

WALLS FENCES CORRALS

- Pheromones and feeding stimulants lure flies to traps
- Hang along fence lines, calf hutches, sheds and more to attract flies
