NET CONTENTS: Total 8.47 oz (8 x 30 g) Water Soluble Pouches

STARBAR® FLY TRAP ATTRACTANT is specially formulated for use with Starbar® fly traps including Fly Terminator® Pro, Milk Jugg™ Trap, and Captivator® Fly Trap and other half-gallon and gallon-sized reusable fly traps.

DIRECTIONS FOR USE:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

1. Bait and use trap outdoors.
2. Open zipper bag to remove water-soluble attractant pouch and drop pouch into trap. Handle with dry hands or use gloves.
3. Use attractants promptly after removing from package, and keep them dry during handling.
4. Do not open the attractant pouches, they will dissolve in the trap water.
5. Add water to fill line indicated on the fly trap. Reseal zipper bag after removing water-soluble attractant pouch(es), and keep the zipper bag sealed when not in use.
6. Replace fly trap top securely.
7. Hang or place trap outside near a fly source.
8. Wash hands with soap and water after handling.
9. Empty trap and rebait attractant when trap dries out or becomes full of flies, or after 30 days, whichever comes first.

USAGE RATES:

For Starbar® and other gallon-sized reusable fly traps, place two water-soluble attractant pouches into trap and add one-half gallon of clean water to activate attractant. For Starbar® and other half-gallon-sized reusable fly traps, place one water-soluble attractant pouch into trap and add one quart of clean water to activate attractant.

NOTE: Not for indoor use, nor for use against biting flies. Contents may give off bad odor; do not allow contents to contact hands or clothing.

STORAGE AND DISPOSAL

STORAGE: Store in original container in a cool, dry, well-ventilated location out of reach of children, pets, and livestock.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this bag. **If empty:** place in trash or offer for recycling, if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
